—The reason the Red Front has no advertising in this week's issue is because they were all too busy to write anything. We needed on them and the proprietors and all the clerks were so busy waiting on customers that we could not get a word from them. No wonder they are kept so busy, for they have the most complete assortment of groceries and country produce of all kinds ever kept in Ohio county.

—We are enabled this week to give our readers the particulars of the killing of Wm. Eason, of order, which occurred at Hartford, on Monday, July 23rd. Frank Dewitt and Beck Herrod had a difficulty some time previously. Herrod tried to get the boss of the Standard Slave Company to dismiss Dewitt, who was a slave cutter, and talked about him and probably made some threats, all of which Dewitt was appalled of. On the Friday night previous to the shooting, Dewitt with a few others, went to Herrod's room to mob him. Herrod slipped out the back way and went to R. B. Thomson's and remained till the next morning, when he came to Hartford and got out a peace warrant for Dewitt. Dewitt heard of it and kept out of the way of officers, and on Sunday night left. The next day Herrod was around abusing Hill Edson and a negro man named Lawrence, and accused them of being members of the party who went to mob him and having carried words to Dewitt. Late in the evening Edson got up and started toward Herrod, saying to Herrod he had to stop abusing him or fight like a man. Herrod drew a pistol and fired just as Edson got up to him, killing him instantly. Herrod escaped.

—Some unprincipled dealers, because they could see a few cents more profit, have been guilty of offering worthless substitutes for the only original and genuine Sulphur Soap—Glenn's by name. Therefore, the public should guard against this deception, and always ask for Glenn's Sulphur Soap, by full name, and take no other. Read the following evidence from a highly respectable source: C. N. CRISTENSON, Esq. Dear Sir—I have traveled for three years for Messrs. Charles Scribner's Sons, publishers, New York, and desire to inform you that I have used your incomparable Glenn's Sulphur Soap exclusively for about four years; also have recommended it to very many persons; my constant experience has been that it possesses all the medicinal advantages that you claim for it. All to whom I have recommended it say as well as myself, that it deserves its established reputation as the best and most efficacious Sulphur Soap that can be used for all skin cleansing, as well as toilet purposes. Some unprincipled dealers have endeavored to substitute other kinds of Sulphur Soap for Glenn's—saying they were just as good, but having myself tried other goods, I find NONE so good or so beneficial as the genuine Sulphur Soap, stamped "GLENN'S." This I have observed bears the name of C. N. CRISTENSON, Proprietor, on the packet.

Yours truly, C. T. Z. DURAND.

Obituary.

Mrs. Mary Rowe was born of tierman parents in Madisonburg county, Ky., in October, 1800, was one of 11 children, one of whom died under 30 years of age. She was married to Geo. Rowe, deceased, in 1825, and was the mother of five children; the two oldest, died in infancy; the two youngest survive to ocean her memory sacred. A mother never enjoyed the love and confidence of her children more than she did that of her two step-sons, Ed and Robert Rowe. She esteemed them as her own children, and they were generous and kind to her. The eldest of these remarked to the writer that if she was ever offended

at him or he at her he never knew it. Aunt Polly, as she was familiarly called, was a model of honesty and simplicity. She lived in peace at the residence of her son, W. I. Rowe, in Ohio county, Ky., July 11th, 188
